Program Outcome Achievement

Program outcomes are ordered from lowest to highest. Color bands follow the institutional threshold legend.

Course Contribution Overview

Summary Interpretation

The program outcome average is **77.4%**. **PO4** is the weakest outcome at **66.2%**, suggesting that curriculum evidence for function effectively on multidisciplinary teams needs review. 1 student is below the intervention threshold.

THRESHOLD LEGEND			
Danger < 60 Immediate action	Warning 60-69 At risk	Developing 70-79 On track	Success >= 80 Meets target

ACTION NEEDED

PO4 · 66.2%

Review curriculum evidence for function effectively on multidisciplinary teams.

COURSE REVIEW

CSE301 · 74.8%

Check whether assessment evidence aligns with mapped POs.

COVERAGE GAP

PO1 · 3 courses

Confirm this outcome is represented across the curriculum.

SUPPORT QUEUE

1 students

Program average below the intervention threshold.
